

# NortonLifeLock + Businessolver Pinnacle Partnership

We are proud to have NortonLifeLock as a part of our Pinnacle Partner Program. You trust us to offer your workforce the benefits they need, when they need them. We trust our Pinnacle Partners to help us take those benefits to the next level, ensuring they activate on those benefits throughout the year. These relationships, grounded in empathetic experiences and state-of-the-art innovation, offer quality products and services with secure and seamless integrations.

## Security Solutions to Protect Your Assets

With identity theft and cybersecurity threats on the rise, a cyber-attack can be devastating for employees that are not properly protected. With this partnership, employees can rest assured that their most important assets are secured.

## The Ideal Partnership

Together, NortonLifeLock and Businessolver help employees get access to leading identity theft and cybersecurity protection when they need it the most. Through Businessolver's benefits administration platform, employees can enroll in their benefits with ease while experiencing the same simple enrollment experience when electing identity theft and cybersecurity plans with NortonLifeLock. This powerful partnership is sure to deliver top-notch security that your employees will love.

**Streamlined** implementation leverages best-in-class processes and connections, which creates efficiencies and cost-savings for our mutual clients.

**Fully supported** partnership through the entire process – from supporting enrollment strategies to driving employee education and engagement. NortonLifeLock exhibits exceptional customer service when employees need them the most.

**Empower:** employees to truly live their digital lives safely by offering superior products and services through comprehensive, all-in-one technology solutions.
