

Accolade + Businessolver Pinnacle Partnership

We are proud to have Accolade as a part of our Pinnacle Partner Program. You trust us to offer your workforce the benefits they need, when they need them. We trust our Pinnacle Partners to help us take those benefits to the next level, ensuring they activate on those benefits throughout the year. These relationships, grounded in empathetic experiences and state-of-the-art innovation, offer quality products and services with secure and seamless integrations.

Our Relation

It's important that we help our clients provide their employees benefit options that fit a variety of lifestyles and needs. Our partnership with Accolade ensures that employees have a diverse suite of benefit options through the Benefitsolver® ecosystem that is personal, data driven, and value based.

Personal: Enabling trusting, long-lasting relationships that result in better health outcomes by prioritizing human connection.

Data-driven: Delivering the right healthcare at the right time at scale requires evidence-based, data-driven decisions that leverage intelligent technology.

Value-based: Focusing on demonstrable health outcomes, patient and provider satisfaction, and delivering high-quality care at lower costs.

Why this Benefits You

Personalized delivery

Through quality interactions and secure, timely access to personal health data, Accolade's Health Assistants and nurses can get to your individual employees, understand what matters to them, and make recommendations based on their unique situations.

Connected clinical support

Supporting each of your members is a team of doctors, nurses, behavioral health clinicians, pharmacists, social workers, and clinical leaders working together to provide evidence-based care.

Integrated technology

Accolade integrates with any health or well-being tool, program, or service, enabling its Health Assistants to guide members toward effective solutions, and help organizations build a best-in-class health and benefits ecosystem.

Who Is Accolade ?

Accolade provides millions of people and their families with an exceptional healthcare experience that is personal, data driven, and value-based to help every person live their healthiest life. Accolade solutions combine virtual primary care, mental health support, and expert medical opinion services with intelligent technology and best-in-class care navigation. Grounded in human relationships, Accolade's Personalized Healthcare approach puts humanity back in healthcare by building relationships that connect people and their families to the right care at the right time to improve outcomes, lower costs and deliver consumer satisfaction.
