

LegalShield + Businessolver®

Who is LegalShield

LegalShield® helps protect you and your family by making access to legal service affordable and easy to use, so you can get the legal support you need without worrying about high unexpected costs.

Members enjoy access to an experienced provider law firm through LegalShield, along with robust identity theft monitoring and restoration through IDShield—helping deliver meaningful peace of mind and potential savings.

The Businessolver advantage

Through Businessolver's Pinnacle Partner program, enrolling in LegalShield is simple and seamless.

LegalShield and Businessolver enhance the experience by:

- Integrating LegalShield directly into the benefits platform
- Making enrollment, access, and education easy
- Supporting clear, personalized benefits communication
- Helping employees understand and use their benefits beyond open enrollment

All Pinnacle Partners are hand-picked for performance, quality, and measurable results. You can count on built-in support with ready-to-use materials and expert launch support.

Why this benefits you and matters for employees

For employees, LegalShield provides peace of mind through predictable pricing and access to real lawyers—making it easier to address legal questions early and avoid costly issues.

For employers, LegalShield offers a high-value, low-cost benefit that helps reduce employee stress, improve retention, and strengthen the overall benefits package when offered through Businessolver.

How to Get Started

Legal and identity theft issues are a part of life, but stress and uncertainty don't have to be. Adding LegalShield through Businessolver's Pinnacle Partner program is simple, valuable, and integrated. Connect with your Businessolver team today to get started.
